FINANCIAL SECRETARIAT

Sanctions the grant of Charge Allowance to an officer who is placed in charge of the duties of an additional office, the pay of which is not more than that of his own substantive office.

ORDER NO. Fl. 7777-7847—S. & A. 160-46-2, DATED BANGALORE, THE 5TH MAY 1947.

Under the existing rules (Article 96 of the Mysore Service Regulations) no allowance is admissible to an officer, who is placed in charge of the duties of an additional office, the pay of which is not more than that of his own substantive office.

In cases where it is considered that such an arrangement results in additional work and responsibility to the officer so placed in charge, it is but fair that he should be compensated for such additional work.

Government are accordingly pleased to order that when an officer is placed in charge of the duties of an additional office, the pay of which is not more than that of his own office for a period exceeding ten days, and the charge entails additional work and responsibility, the officer be allowed a charge allowance amounting to 1/10th of the minimum pay of the additional office or the duty allowance attached to the additional office, whichever is more.

The necessary amendment to the Mysore Service Regulations will issue separately.
